Iida Group Holdings

# NEWS RELEASE

July 11, 2023
Iida Group Holdings Co., Ltd.

## Obtained Independent Assurance in Scope 1・Scope 2・Scope 3 greenhouse gas emissions amount

Iida Group Holdings Co., Ltd. (hereafter "the Company", Head Office: Musashino-shi, Tokyo; President: Masashi Kanei) announces that it has obtained Independent Assurance in FY2022 Scope 1・Scope 2・Scope 3 greenhouse gas (GHG) emissions amount from SOCOTEC Certification Japan in order to ensure the data meets the criteria.

The Company's group has promoted sustainability management based on the group management philosophy "To contribute to the nurturing of an affluent society through the creation of a living environment where a greater number of people can live truly fulfilling lives".

Based on the philosophy, the Company's group has assessed and analyzed the impact on it caused by business environment changes resulting from climate change, environmental regulations and the like, and promoted information disclosures in line with TCFD recommendations. With regard to GHG emissions amount, in particular, the Company considers it necessary to disclose the reliable data. Therefore, the Company entrusted the independent organization with the data investigation related to Scope 1・Scope 2・Scope 3 and has obtained the independent assurance.

GHG emissions amount data

(Unit: t-CO2e)

| Scope1 | Scope2 | Scope3 |
|---|---|---|
| 27,351 | 45,655 (Market based) | 6,152,117 |

Independent Assurance Report (pdf)

The Company's group will continue to improve the corporate value as a leading company in the housing sales industry and promote information disclosures in line with the framework of TCFD, CDP, and so on.
