Iida Group Holdings

NEWS RELEASE

August 9, 2024
Iida Group Holdings Co., Ltd.

Obtained Independent Assurance in Scope 1・Scope 2・Scope 3 greenhouse gas emissions amount

Iida Group Holdings Co., Ltd. (hereafter "the Company", Head Office: Musashino-shi, Tokyo; President: Masashi Kanei) announces that it has obtained Independent Assurance in FY2022 Scope 1・Scope 2・Scope 3 greenhouse gas (GHG) emissions amount from SOCOTEC Certification Japan in order to ensure the data meets the criteria.

The Company's group has promoted sustainability management based on the group management philosophy "To contribute to the nurturing of an affluent society through the creation of a living environment where a greater number of people can live truly fulfilling lives".

With regard to GHG emissions amount, in particular, the Company considers it necessary to disclose the reliable data. Therefore, since FY2022, the Company entrusted the independent organization with the data investigation related to Scope 1・Scope 2・Scope 3 and has obtained the independent assurance.

GHG emissions amount data

(Unit: t-CO2e)

Scope1	Scope2	Scope3
24,606	42,084 (Market based)	5,972,851

The Company's group will continue to improve the corporate value as a leading company in the housing sales industry and promote information disclosures in line with the framework of TCFD, CDP, and so on.
